

A Call for Proposals to Host the 11th International Congress of Culture Collections (2008)

Members are requested to consider whether they would like to host the 11th International Congress for Culture Collections (ICCC-XI). Please send the letter of intent to Dr. David Smith (ref 1), the WFCC secretary outlining who the proposers are and information regarding the venue by the end of January 2004. We will then need details (ref 2) by March 2004 so that the WFCC Executive Board can make the final selection. All offers will be considered but preference will be given to high quality offers from countries which have not already hosted ICCC before.
